## All My Boys Lindsay Lozon

Lindsay Lozon is a very special artist. He reduces his settings to down to the bare necessities ceding the scene to his young models. The results are refreshing, humorous and surprisingly multifaceted photographs. Lozon isn't impressed by star allure - he is there for his models and not the other way around. Lozon's young men are consistently slim, smooth and athletic - but each of them has their own special character. "All My Boys" goes much further than mere pin-up photography! For the first time the photographer also presents portraits in colour - delicious!
