## **Ergonomic Design for Organizational Effectiveness** Michael J. O'Neill

Creating alignment between the office environment, and the business objectives and mission of the organization, this new book provides a framework for the manager to develop strategies and tactics to leverage the work environment as a tool to enhance organizational effectiveness. Drawing from the author's own published research, consulting work, and previously unpublished case studies, each section addresses current research findings that build upon a new framework for thinking about work and the work environment.

Ergonomic Design for Organizational Effectiveness grapples with problems such as:
