This coloring book contains over 25 original hand drawn and graphic design pieces of artwork created by the artist Amber L. Ryder. This book is designed to help you unwind and de-stress through the art of adult coloring. Everything from colored pencils to markers can be used to bring your artwork to life. Each image is printed twice in this book giving you over 50 images to color as well as the chance to color them two different ways. Or as my 7 and 10 year old are very excited to share this book with me, share some images with a child. All pages are printed single sided so you can take them out and share, frame, or display them without sacrificing an image on the reverse side. I have filled this book with all my favorite things about FALL in order to create an enjoyable coloring experience while celebrating the season. Welcome Fall and Happy Coloring!
