Guide to Black Washington: Places and Events of Historic and Cultural Significance in the Nation's Capital Sandra Fitzpatrick

This remarkable guidebook details more than 150 sites and institutions that have shaped black history and traditions, both in this particular community and throughout the country. A book to slip into a backpack, keep handy in a glove compartment, or linger over at home, "The Guide to Black Washington" weaves together historical overviews, lively anecdotes, and plenty of practical information. From Library Journal "A different kind of guidebook from two local authors, this describes the homes and haunts of African-Americans. Where did Marian Anderson sing when refused admittance to a Washington, D.C. church? (The Lincoln Memorial.) The authors divide Washington into 15 sections, with brief chapters of one to two pages each. Slavery, segregation, education, and gentrification are discussed in short paragraphs. The book provides offbeat information and would probably be a good source for school assignments. There is an excellent bibliography. Recommended for general readers and high school libraries, though not an essential item." - Fern Sikkema, Schnader, Harrison, Segal & Lewis, Washington, Copyright 1990 Reed Business Information, Inc.

If you did not get much space to bring the actual printed book, you can buy often the e-book. It is make you simpler to read it. You can save typically the book in your smart phone. Consequently there are a lot of benefits that you will get when one buys this book.

Robert Quinonez:

As a university student exactly feel bored in order to reading. If their teacher inquired them to go to the library in order to make summary for some publication, they are complained. Just very little students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading is not important, boring and also can't see colorful images on there. Yeah, it is to become complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So, this Guide to Black Washington: Places and Events of Historic and Cultural Significance in the Nation's Capital can make you sense more interested to read.
