**Sunny Side Up** Marion Roberts

Start with one quiet, perfect life.

Add: Mum's new boyfriend, his two kids, one best friend (with a big crush), one sworn enemy, and a long-lost grandmother.

Flavor with a dash of laughter, a pinch of jealousy, and plenty of secrets.

Cook on high all summer long. . . .

Eleven-year-old Sunny (short for Sunday) is an only child, an introvert, a dog lover, and part owner of Pizza-a-Go-Girl. She and her mum live near the beach in Australia. Good thing, because this summer is one long heat wave. But the temperature isn't the only thing that's making Sunny hot: her perfect life is about to change in a million ways!

Marion Roberts has worked as a chef and taught people how to cook, but started writing because she wanted a job she could do in her pajamas. *Sunny Side Up* is her first novel. She lives in Melbourne, Australia.

*From the Hardcover edition.*

#### Michael Hollinger:

As a pupil exactly feel bored to reading. If their teacher requested them to go to the library or even make summary for some e-book, they are complained. Just little students that has reading's internal or real their leisure activity. They just do what the instructor want, like asked to go to the library. They go to presently there but nothing reading really. Any students feel that studying is not important, boring as well as can't see colorful photographs on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this Sunny Side Up can make you sense more interested to read.
