## THE GALLANT SAGA BEGINS

They didn't believe young Paul Gallant when he arrived at Cape Breton in the early spring of 1745 with the news of an imminent British invasion launched from Boston. Now, the *Echo* is the last ship afloat in the harbor . . . and the shore has been dyed red with blood. Gallant's orders are straightforward. Run the blockade and get to France -- and help for the beleaguered fortress.

With daring and brilliant maritime skill, Gallant escapes the British trap and begins a perilous voyage across the Atlantic, chased by the ship-of-the-line, *Redoubtable*. Pursuit and evasion, contact and battle continue to the Spanish coast and to Algiers -- where Paul Gallant steals the beautiful Abigail, favorite dancing girl of the Dey -- until the crew of the *Echo* is captured and imprisoned on Minorca.

Gallant must escape one more time . . . through the crossfire of a naval bombardment and the deadly roar of British cannon.

#### **Robert Barker:**

As a university student exactly feel bored in order to reading. If their teacher questioned them to go to the library as well as to make summary for some guide, they are complained. Just little students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photos on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore this The Black Cockade (Paul Gallant Saga) (Volume 1) can make you experience more interested to read.
