Young Catipo of Taposa never thought of himself as a hero. Smaller than others his age, shunned by his elders, and looked down on for his meekness, he dreamed of someday becoming a great Quapaw warrior. Under the wing of an old medicine man he's chosen to receive the gifts of the upper world and sent on his own Journey Quest to acquire the tools to achieve his life's goal. During a mission to rescue his kidnapped mother he teams up with another hero blessed by the Gods. Together they confront the dastardliest of all enemies, the devil himself.
