EVEN VAMPIRE SLAYERS NEED A GOOD LAWYER John Brooks is a brilliant young lawyer working hard, but not getting much notice. Those who know him admire his work ethic and his intellect. His friends believe that he needs one big case to show off his talents. Defending Hal Boyd, known as the Butcher of Belhaven, on arson and four murder charges, looks like that big case as the world media, hungry to fill 24 hours a day of non-stop news coverage, converges on Jackson, Mississippi. Soon the Boyd case looks like a career ender when Brooks announces to his defense: "Not guilty by reason of insanity. My client was so insane that he believed that the person he intended to kill was a vampire." The world media ridicules the "Vampire Defense," and Brooks and his defense team become the laughing stock of the legal profession. Ridicule becomes the least of Brooks problems when he discovers that a satanic cult is intent on exacting murderous revenge against Boyd and his defense team for daring to defend him. Kidnapping and multiple murders occur at a dizzy pace as the action careens from the city to the swamp to the courtroom. Romance coupled with comic relief allows you to occasionally catch your breath, until even that is stolen by a double climax with a verdict that shocks the world, followed immediately by a dramatic final battle between good and evil. The Vampire Defense is so "bloody good" you can taste it.

Playing with family inside a park, coming to see the coastal world or hanging out with buddies is thing that usually you will have done when you have spare time, then why you don't try point that really opposite from that. 1 activity that make you not feeling tired but still relaxing, trilling like on roller coaster you are ride on and with addition of knowledge. Even you love Vampire Defense, you could enjoy both. It is excellent combination right, you still would like to miss it? What kind of hangout type is it? Oh seriously its mind hangout men. What? Still don't get it, oh come on its referred to as reading friends.

Joseph Boyd:

As a college student exactly feel bored for you to reading. If their teacher asked them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's spirit or real their pastime. They just do what the professor want, like asked to the library. They go to presently there but nothing reading critically. Any students feel that reading is not important, boring and can't see colorful images on there. Yeah, it is being complicated. Book is very important for you personally. As we know that on this era, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Vampire Defense can make you truly feel more interested to read.
