Anti-Semitism and the Holocaust (Access to History) Alan Farmer

This title provides a detailed account of the issues and events which led to the Holocaust, and discusses the historiographical interpretations surrounding that event. The book examines anti-Semitism in Europe before 1933, the nature of Hitler's rule in Germany and Nazi anti-Semitic policy from 1939 to 1941, as well as Nazi euthanasia policies during the same period. The volume concludes by exploring the horrendous developments from 1941 onwards and attempts to reach a balanced conclusion by determining who was responsible for the ultimate "Final Solution."
