Drake's Coffin Michael D. Urban

Drake's Coffin is the rousing adventure tale of a search for lost treasure in the jungle of Panama. It features rich history, exotic locales, fascinating characters and rapid-fire action. Four hundred years ago the English adventurer Sir Francis Drake stole it from the Spanish and buried it in the jungles of Panama. Thirty years ago an unsuspecting group of teenage boys stumbled upon it in a night of violent death that would change their lives forever. Now, they've come back for Drake's legendary lost treasure, in a race against time, old enemies and modern foes. Led by federal prosecutor Zach Colt, six diverse and colorful old friends join forces and return to present-day Panama to recover their spoils. A psychopathic cop. Ruthless pirates, old and new. A daring ex-Navy beauty. Deadly predators. Darien Indians. Intrepid SCUBA divers. A feisty Portuguese Water Dog. A contest to the death in the Panama Canal. These and more are encountered by the men in pursuit of their fortune. Some find self-knowledge, honor and redemption. Others face betrayal, heartbreak and death. Above all, Drake's Coffin is a unique story of friendship and self-discovery.

Ida Shrout:

Do you have something that you like such as book? The guide lovers usually prefer to select book like comic, limited story and the biggest the first is novel. Now, why not hoping Drake's Coffin that give your enjoyment preference will be satisfied by simply reading this book. Reading habit all over the world can be said as the opportunity for people to know world far better then how they react toward the world. It can't be mentioned constantly that reading routine only for the geeky man or woman but for all of you who wants to be success person. So , for all you who want to start reading as your good habit, you can pick Drake's Coffin become your own starter.

Charles Rowe:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their interest. They just do what the instructor want, like asked to the library. They go to right now there but nothing reading really. Any students feel that looking at is not important, boring and can't see colorful photographs on there. Yeah, it is for being complicated. Book is very important for you. As we know that on this period of time, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's country. Therefore , this Drake's Coffin can make you truly feel more interested to read.

Martin Kelley:
