Intermediate Algebra a la Carte Edition Plus NEW MyMathLab with Pearson eText -- Access Card Package (5th Edition) Elayn Martin-Gay

NOTE: This edition features the same content as the traditional text in a convenient, three-hole-punched, loose-leaf version. Books a la Carte also offer a great value—this format costs significantly less than a new textbook. Before purchasing, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products.

Every student can succeed

Elayn Martin-Gay's developmental math program is motivated by her firm belief that every student can succeed. Martin-Gay's focus on the student shapes her clear, accessible writing, inspires her constant pedagogical innovations, and contributes to the popularity and effectiveness of her video resources. This revision of Martin-Gay's worktext series continues her focus on students and what they need to be successful.

This program provides a better teaching and learning experience, for you and your students. Here's how:

- The new Martin-Gay Student Success Program provides an integrated teaching and learning system—combining the textbook, MyMathLab®, student and video organizers, and the video program—which is designed to help students gain the math and study skills they need for success in developmental math and beyond.

Personalize learning with MyMathLab

MyMathLab is an online homework, tutorial, and assessment program designed to work with this text to engage students and improve results. Within its structured environment, students practice what they learn, test their understanding, and pursue a personalized study plan that helps them absorb course material and understand difficult concepts.
