Modern Classroom Assessment offers an applied, student-centered guide to the major research-based approaches to assessment in today's modern classroom. Rather than simply list basic assessment formats with a few examples, as many textbooks do, award-winning professor and scholar Bruce Frey's book fully explores all five key approaches for teacher-designed assessment—*Traditional Paper-and-Pencil*, *Performance-Based Assessment*, *Formative Assessment*, *Universal Test Design*, and *Authentic Assessment*—while making abstract concepts and guidelines clear with hundreds of real-world illustrations and examples of what actual teachers do. Offering a variety of engaging learning tools and realistic stories from the classroom, this text will give any reader a strong foundation for designing modern assessments in their own classrooms.
