Shoulda/Coulda/Woulda: A Story. Danny Blanda

Shoulda/Coulda/Woulda gives us Trisha, Marcus and a glimpse into their genuine friendship. However, the pair is forced to test the purity of their dynamic in their most vulnerable of moments. Despite all the signs indicating an inevitable outcome in their relationship, S/C/W quickly reminds us that life often leaves us with regrets. Shoulda, Coulda, and Woulda are three individual acts. Each with its own style and form, the play can be performed in any order. Whether it's Shoulda/Coulda/Woulda or Coulda/Woulda/Shoulda or any other combination, this play gives an audience a different perspective to the story each night. 1M, 1W
