Born Standing Up: A Comic's Life Steve Martin

The Emmy and Grammy Award-winner's candid, spectacularly amusing memoir of his years in stand-up

In the mid-seventies, Steve Martin exploded onto the comedy scene. By 1978 he was the biggest concert draw in the history of stand-up. In 1981 he quit forever. *Born Standing Up* is, in his own words, the story of "why I did stand-up and why I walked away."

At age ten Martin started his career at Disneyland, selling guidebooks in the newly opened theme park. In the decade that followed, he worked in the Disney magic shop and the Bird Cage Theatre at Knott's Berry Farm, performing his first magic/comedy act a dozen times a week. The story of these years, during which he practiced and honed his craft, is moving and revelatory.

Martin illuminates the sacrifice, discipline and originality that made him an icon and informs his work to this day. To be this good, to perform so frequently, was isolating and lonely. It took Martin decades to reconnect with his parents and sister, and he tells that story with great tenderness. Martin also paints a portrait of his times: the era of free love and protests against the war in Vietnam, the heady irreverence of *The Smothers Brothers Comedy Hour* in the late sixties, and the transformative new voice of *Saturday Night Live* in the seventies.

Levi Ryan:

Is it anyone who having spare time then spend it whole day by means of watching television programs or just laying on the bed? Do you need something totally new? This Born Standing Up: A Comic's Life can be the solution, oh how comes? It's a book you know. You are consequently out of date, spending your time by reading in this completely new era is common not a nerd activity. So what these textbooks have than the others?

Sherri King:

As a college student exactly feel bored in order to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's spirit or real their pastime. They just do what the teacher want, like asked to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for you personally. As we know that on this age, many ways to get whatever we wish. Likewise word says, many ways to reach Chinese's country. Therefore this Born Standing Up: A Comic's Life can make you feel more interested to read.
