Experience a heart-warming story of one mother's emotional connection to her daughter's pregnancy and her joy of becoming a grandmother. This is a wonderful story of a journey back in time and a journey into the future—all in nine months. Through her daughter's pregnancy, a soon-to-be grandmother relives moments of her own pregnancy and is brought face-to-face with questions about her own role as a mother. Edwina was very happy; but she was just not connected until a Kiss for Grand-darling touched her heart and changed her life. Eventually her unborn grandbaby put everything in a new perspective. Settle back for a few moments of the heart. You will laugh and cry at the same time. This story is a story of puppy love and goose bumps and second chances.
