Do I really want to survive this? Thadeus is just 21 years old when a diving accident changes the direction of his life forever. A spinal cord injury leaves him paralyzed from neck to feet, and the activities that once fulfilled him - cars, sports, music, flying - are no longer possible. He spends two years in hospital, enduring a painful recovery process. Amidst physical pain, he struggles to accept the loss of the life he knew - and foresee a life worth living. With the help of family, friends and medical staff, Thadeus makes the ultimate decision: choosing survival, choosing to live.
