Children are going to love this book that reads like a song and will lull them to sleep with its whimsical rhymes and enchanting illustrations. The sweet story will give reassurance to little kids that there is someone invisible who is protecting them. Angels are everywhere; on the book, on the pillow case, behind the tree, and if they look closely they may see them. It is an inspirational and charming story. The depiction of the Angels as silly and fun loving is great. 'Angels come in many sizes and colors, just like snowflakes, no two are alike' is a wonderful snippet from the story that sums up the Angels. This is a book any child will treasure. Fun to read aloud and share too.
