Atlantic Islands

Anne Hammick, Hilary Keatinge

Atlantic Islands Anne Hammick, Hilary Keatinge

This well-established pilot, now in its third decade, covers the Azores, Canaries, Madeira and Cape Verde Islands. The sixth edition of Atlantic Islands builds on solid foundations - the author's long familiarity with the area, an invaluable network of local contacts, and the constant flow of information and feedback received from yachtsmen and women during the lifetime of the previous edition. For this edition the coverage has been extended to include Bermuda. This new section is an important development especially for US-based yachts and for the east-bound Atlantic crossing. New photos and new and revised harbour plans support the fully updated text. Whether you seek authoritative pilotage information, comprehensive details of available facilities, or simply suggestions for planning an enjoyable cruise, you will find them all in his new edition of Atlantic Islands.

From reader reviews:

Matthew Thompson:

Do you have something that you enjoy such as book? The publication lovers usually prefer to select book like comic, short story and the biggest some may be novel. Now, why not trying Atlantic Islands that give your satisfaction preference will be satisfied through reading this book. Reading addiction all over the world can be said as the opportunity for people to know world considerably better then how they react in the direction of the world. It can't be stated constantly that reading habit only for the geeky individual but for all of you who wants to possibly be success person. So , for all of you who want to start reading through as your good habit, you are able to pick Atlantic Islands become your own starter.

Ryan Moore:

Many people spending their moment by playing outside along with friends, fun activity using family or just watching TV the whole day. You can have new activity to pay your whole day by examining a book. Ugh, do you consider reading a book can actually hard because you have to accept the book everywhere? It fine you can have the e-book, taking everywhere you want in your Mobile phone. Like Atlantic Islands which is keeping the e-book version. So , why not try out this book? Let's see.

Georgia Cunningham:

That reserve can make you to feel relax. This book Atlantic Islands was colourful and of course has pictures around. As we know that book Atlantic Islands has many kinds or genre. Start from kids until young adults. For example Naruto or Investigator Conan you can read and think that you are the character on there. So , not at all of book are usually make you bored, any it offers you feel happy, fun and relax. Try to choose the best book for you and try to like reading this.

Issac Molina:

As a college student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some publication, they are complained. Just small students that has reading's heart or real their leisure activity. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading significantly. Any students feel that studying is not important, boring along with can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. So , this Atlantic Islands can make you truly feel more interested to read.
