The atmosphere of Edgar A. Poes "A Descent Into the Maelstrom" does really exist on Lofoten in Northern Norway. Poe tells how brothers are fishing and get into the maelstrom. Their boat sinks, the nature is incredibly hard and dangerous. A typical story of Poe. Till today the islands seem to keep many secrets inside. 400 kilometers from the north of the Arctic Circle, everything is authentic. In this calendar, you will find the most impressive pictures of the summer and winter. Calvendo calendars are premium products - a bit more pricey than others but with added benefits: Our calendars always look beautiful on your wall because we produce them locally with premium paper and sophisticated spiral binding, ensuring easy turning of pages and flat hanging against the wall. A protective transparent plastic cover sheet provides added stability and each calendar comes in five languages. Treat yourself to a Calvendo calendar and you get something that looks better all year round.
