## Magnets (My World of Science)

This new series introduces the reader to scientific ideas by way of everyday situations and objects that they can recognise in the world around them. Covering a range of basic science topics required by the science curriculum, these books will be a valuable reference resource. The series: - supports the QCA KS1 schemes of work - introduces age-appropriate terminology - presents scientific concepts in a straightforward and logical way - provides activities and questions to encourage the reader to think about the concepts raised
