## **The Lagoon** Lilli Carre

A haunting, lyrical graphic novel debut. A family is seduced by the song of the Creature from the Black Lagoon in talented young cartoonist Lilli Carre's first long-form work, and how each member reacts to the Creature's siren call in *The Lagoon* is the crux of the story. Carre experimented with nib pens and brushes while drawing this black-and-white graphic novel, giving the art a different feel from her previous, Eisner-and-Harvey-Award-nominated story, *The Tale of Woodsman Pete*. *Lagoon* was influenced by the films *Creature from the Black Lagoon* and *Night of the Hunter*, but reads more like the gothic family narratives of Flannery O'Connor. Rhythms - taps, the ticking of a metronome - are punctuated by silences that pace this "sound"-driven story. Older teen and adult readers are invited to imagine the enigmatic Creature's haunting, ever-shifting tune as it reverberates through weedy waters, eventually escaping the lagoon to creep into windows at night.
