Blush for Me: A Fusion Novel Kristen Proby

New York Times bestselling author Kristen Proby continues to delight the senses with the latest novel in her delectable Fusion series.

As the take-charge wine bar manager of Seduction, Portland's hottest new restaurant, Katrina Meyers is the definition of no-nonsense, and she isn't afraid of anything. Well, almost anything: she hates to fly. When she's forced to travel on a death trap with wings, the turbulence from hell has her reaching for any safe haven—including the incredibly handsome guy sitting next to her.

Ryan "Mac" MacKenzie hasn't been able to get his sexy seatmate out of his head. The way she clung to him stirred something inside him he didn't think existed: tenderness. As the owner of a successful wine touring company, Mac thinks he's got a handle on what life can throw at him and he's not prepared for any surprises, especially in the feelings department. And when he brings a tour into Seduction, he sees the petite spitfire he just can't forget.

Mac is determined to discover what else they have in common besides fine wine and the inability to keep their hands off each other. But what will it take for two stubborn people to realize that what they have is so much more than a hot chemistry between the sheets and to admit to falling in love...?
