Welcome to my world. What you are about to encounter are simply my thoughts. These thoughts have been harboring inside of me for many, many years now. Some of them are good, some of them...not so good. I've never really had the opportunity to share them with anyone until now. I never thought anyone would take the time to listen or attempt to understand. I don't know if this would be considered poetry, or they are just simply my thoughts that happen to rhyme. Either way...they are me.
