Majestic Whitley Strieber

It is time for the truth to be told...

On July 2, 1947 something crashed in the desert outside of Roswell, New Mexico. An explosion of light and sound made the sheep wail, the chickens squawk, and the children scream. And then the ranchers heard a noise they thought could only have come from the devil himself.

For forty years, Majestic Agency director Wilfred Stone helped the CIA pretend the landing never happened. Then his conscience got the better of him.

This is the real story, told to reporter Nicholas A. Duke by the guilt-racked shell of the man who once worked tirelessly to cover it all up. It is a truth so terrifying that Whitley Strieber had to call it fiction.
