Spider Skirmish

This is the third installment of a five part pentalogy. Zombie King Zed has survived multiple attacks on his life and now he's marshalled his army of the undead out for revenge. But the Creepers are also bent on vengeance – and they've perfected the use of TNT to blast away their enemies. And the Skeletons have formed an army of their own to finally get the respect they've been denied. The one mob no one counted on are the Spiders. These least likely of foes have a few surprises in store that threatens to smash apart the entire Empire, putting the Arachnids on top. It's all leading to one climatic battle for supremacy where there's just one guarantee – only the most ruthless will survive.
