APIL Guide to Personal Injury Claims Procedure: Second Edition John McQuater

This established work provides practical and straightforward guidance for all lawyers conducting UK personal injury cases. It guides the reader through each step of a standard personal injury claim, providing details of the applicable procedure and focusing on common problems with consideration of the relevant UK case law. This second edition has been updated to cover: the new Road Traffic Accident claims process * developments on Part 36, which has become complex * the latest cases on disclosure, including the concept of 'proportionality' in connection with privacy, e-documents, and the latest on videos and surveillance evidence * an in-depth look at expert evidence, with a review of cases considering when this is 'reasonably required' * numerous other procedural points, including developments on setting judgment aside, service, and changes to the Civil Procedure Rules. [Subject: Personal Injury Law]
