It is a wonderful privilege to watch children start to grasp the precious truths of Scripture. Parents may hope to see this in a family devotion time, only to become overwhelmed and exhausted by the daily difficulties involved. We need help!

Big Beliefs! is a devotional expressly intended to enable parents to succeed and children to grow in grace and knowledge. Three weekly readings accompanied by suggested Scripture passages introduce and simply explain thirty-three key theological concepts found in the Westminster Confession of Faith (included in its entirety, in modern English). Questions following each reading will help you start a conversation about what you have learned each day. This nonthreatening, encouraging devotional will make a comprehensive beginning to your child's understanding of Christianity's *big beliefs*.
