After years of struggling to make a living at writing, Yves Santiago finally has a contract to publish her blog The Lust Diaries with Leaf Press, the most prestigious literary publishing house in Philadelphia. She owes all of that to Elijah Weinstein, a man who genuinely respects her hustle and her intellect. Yves would be the first to admit that she has a knack for falling for the wrong guy, but Elijah is wrong in all the right ways. The kinky, pretty boy and his filthy, delicious mouth has burrowed his way under her skin and she isn't sure how or if she wants to get him out. All of it seems a little too good to be true. As Yves begins to explore her submissive and kinky tendencies and their affections for each other become more intense, she fears that she is falling into old patterns, losing herself in him. Elijah keeps pushing her boundaries, making her want and feel things she isn't ready for, but when they come right up to his limits will he be brave enough to let her in?
