Funny Things I Heard at the Bus Stop: Volume 1 became a #1 Best Seller in the short story collections category in February 2012 with funny stories for pre-teens. Then Volume 2 was published that had stories for younger kids. Along the way, Goblins in the Garden was published as a separate book. After Volume 3 came out with six more stories for all ages, there were now sixteen stories over all three volumes. Now, I've combined all 4 volumes into one BIG story book! The Complete Collection has 16 stories in it and so no matter if you have younger kids not in school yet, or elementary schoolers that are looking for something whimsical and fun to read for their school reading, or at bedtime (or something that YOU can read to them at bedtime), this volume has it all! The stories in this collection should ignite the imagination of any child (and parent) and are wonderful for bedtime - or any time! Come along on our magical journey and experience the whimsical and fantastical with your children.
