## Nia Mella Reese

Nia has struggled with the fact that she is a princess and not taken seriously as an acceptable choice to become heir to the throne of Brychan. She is just a "woman" after all. To keep herself busy, she has taken on the roll of "healer" (following in her Mother's footsteps) & is preparing to marry her love Andras. When her father - a King who loves war - accepts a "gift" on her behalf, Nia's world is turned around. Her "gift", and now constant guard, Garreth helps her discover friendship, a sense of worth and responsibility to learn more about her kingdom and herself. Your heart can't help but go out to her. It's a roller coaster of emotions and you won't want to put it down! (Amazon book review)

### From reader reviews:

#### **Deborah Anderson:**

Reading can called thoughts hangout, why? Because while you are reading a book specially book entitled Nia your mind will drift away trough every dimension, wandering in most aspect that maybe unfamiliar for but surely can be your mind friends. Imaging just about every word written in a book then become one contact form conclusion and explanation that maybe you never get previous to. The Nia giving you one more experience more than blown away your brain but also giving you useful data for your better life in this era. So now let us explain to you the relaxing pattern here is your body and mind is going to be pleased when you are finished reading through it, like winning a casino game. Do you want to try this extraordinary shelling out spare time activity?

#### **Michael Jones:**

Nia can be one of your basic books that are good idea. Many of us recommend that straight away because this e-book has good vocabulary which could increase your knowledge in vocab, easy to understand, bit entertaining but delivering the information. The copy writer giving his/her effort that will put every word into delight arrangement in writing Nia however doesn't forget the main stage, giving the reader the hottest and also based confirm resource information that maybe you can be one among it. This great information may drawn you into fresh stage of crucial thinking.

#### **Mary Abrams:**

Your reading 6th sense will not betray anyone, why because this Nia guide written by well-known writer whose to say well how to make book that could be understand by anyone who else read the book. Written within good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still doubt Nia as good book but not only by the cover but also by the content. This is one e-book that can break don't assess book by its protect, so do you still needing one more sixth sense to pick this kind of!? Oh come on your looking at sixth sense already said so why you have to listening to one more sixth sense.

#### **Robert Vargas:**

Reading a guide make you to get more knowledge as a result. You can take knowledge and information originating from a book. Book is prepared or printed or illustrated from each source in which filled update of news. In this modern era like at this point, many ways to get information are available for an individual. From media social like newspaper, magazines, science publication, encyclopedia, reference book, story and comic. You can add your knowledge by that book. Are you ready to spend your spare time to open your book? Or just looking for the Nia when you necessary it?
