The first four books in Oliver Pötzsch's The Hangman's Daughter series together in one collection

The Hangman's Daughter

Germany, 1659: When a dying boy is pulled from the river with a mark crudely tattooed on his shoulder, hangman Jakob Kuisl is called upon to investigate whether witchcraft is at play in his small Bavarian town. Whispers and dark memories of witch trials and the women burned at the stake just seventy years earlier still haunt the streets of Schongau. When more children disappear and an orphan boy is found dead?marked by the same tattoo?the mounting hysteria threatens to erupt into chaos. Before the unrest forces him to torture and execute the very woman who aided in the birth of his children, Jakob must unravel the truth. With the help of his clever daughter, Magdalena, and Simon, the university-educated son of the town's physician, Jakob discovers that a devil is indeed loose in Schongau. But it may be too late to prevent bloodshed.

The Dark Monk

1660: Winter has settled thick over a sleepy village in the Bavarian Alps, ensuring that every farmer and servant is indoors the night a parish priest discovers he's been poisoned. As numbness creeps up his body, he summons the last of his strength to scratch a cryptic sign in the frost. Following a trail of riddles, hangman Jakob Kuisl, his headstrong daughter Magdalena, and the town physician's son team up with the priest's aristocratic sister to investigate. What they uncover will lead them back to the Crusades, unlocking a troubled history of internal church politics and sending them on a chase for a treasure of the Knights Templar. But they're not the only ones after the legendary fortune. A team of dangerous and mysterious monks is always close behind, tracking their every move, speaking Latin in the shadows, giving off a strange, intoxicating scent. And to throw the hangman off their trail, they have made sure he is tasked with capturing a band of thieves roving the countryside, attacking solitary travelers and spreading panic.

The Beggar King

1662: Jakob Kuisl, the hangman of a village in the Alps, receives a letter from his sister calling him to the imperial city of Regensburg, where a gruesome sight awaits him: her throat has been slit. When the city constable discovers Kuisl alongside the corpse, he locks him in a dungeon, where Kuisl will experience firsthand the torture he's administered himself for years. As nightmares assail him, Kuisl can only hope to prevail on the Regensburg executioner to show mercy to a fellow hangman. Kuisl's steely daughter, Magdalena, and her young doctor paramour, Simon, rush to Regensburg to try to save Jakob, enlisting an underground network of beggars, a beer-brewing monk, and an Italian playboy for help. Navigating the labyrinthine city, they learn there is much more behind the false accusation than a personal vendetta: a plan that will endanger the entire German Empire.

The Poisoned Pilgrim

1666: The monastery at Andrechs has long been a pilgrimage destination, but when the hangman's daughter, Magdalena, her doctor husband, Simon, and their two small children arrive there, they learn that the monks have far larger concerns than saying Mass and receiving alms. It seems that once again the hangman's family has fallen into a mysterious and dangerous adventure. Two monks at the monastery experiment with cutting-edge technology, including a method of deflecting the lightning that has previously set the monastery ablaze. When one of the monks disappears and his lab is destroyed, foul play is suspected. Who better to investigate than the famed hangman Jakob Kuisl? But as the hangman and his family attempt to solve the mystery of the missing monk, they must deal with the eccentric denizens of the monastery and villagers who view the monks' inventions as witchcraft that must be destroyed at all costs.
