The Shift M. Ann Ricks

There is a sense of urgency in the atmosphere as God is transitioning many into what the world has deemed impossible and unbelievable into the possible and the believable. Don't be alarmed by the "sudden" moves of the God. Pastor Douglass and his family have been positioned for such a move but because of the dense fog of deception that surrounds them, some in the Douglass family have created their own beliefs, fabricating their own sense of self; negating the truth, God's truth, even when truth is staring them in the face. They are living lives devoid of the knowledge of who they really are and robbing themselves and those they love of their true identity and freedom. Deeply embedded lies from enemy have blinded eyes, impaired hearing and hardened hearts and Angels from the army of God have been deployed. The assignment: the execution of God's divine design. Dreams, supernatural revelation and actual attacks from man's ultimate foe will expose all and confirm God's plan for Xion, Veronica, Zeborah, Bo and Pastor Richard Douglas. Will the infrastructure of unbelief crumble? Can they handle the truth and surrender? The lives of the Douglass family will never be the same and neither will you, because of THE SHIFT!"
