Baboon Mothers and Infants

Jeanne Altmann

Baboon Mothers and Infants Jeanne Altmann

When it was originally released in 1980, Jeanne Altmann's book transformed the study of maternal primate relationships by focusing on motherhood and infancy within a complex ecological and sociological context. Available again with a new foreword by the author, *Baboon Mothers and Infants* is a classic book that has been, in its own right, a mother to a generation of influential research and will no doubt provide further inspiration.
