They must escape Stalin's notorious blockade or face certain death on charges of espionage!

Now he must venture into the sector of Germany held by the Red Army and secure the safe passage of two rocket scientists to the West. NATO intelligence assures him that the very future of Europe is at stake.

But Jake is unaware that Russian spies have infiltrated this elite group, jeopardizing his mission and life. As Stalin's stranglehold around the city of Berlin tightens into a notorious blockade, Jake's newlywed wife Sally learns of the danger and rushes to warn him. Will she reach him in time?
