#### **Allison Morales:**

Reading a book to become new life style in this calendar year; every people loves to examine a book. When you examine a book you can get a great deal of benefit. When you read publications, you can improve your knowledge, simply because book has a lot of information on it. The information that you will get depend on what types of book that you have read. If you wish to get information about your examine, you can read education books, but if you want to entertain yourself you can read a fiction books, this sort of us novel, comics, in addition to soon. The Bitty Fish (Let's Read Together) provide you with new experience in reading through a book.

#### **Carl Johnson:**

As a student exactly feel bored to be able to reading. If their teacher questioned them to go to the library in order to make summary for some book, they are complained. Just very little students that has reading's soul or real their pastime. They just do what the professor want, like asked to the library. They go to at this time there but nothing reading really. Any students feel that reading through is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important in your case. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Bitty Fish (Let's Read Together) can make you sense more interested to read.
