## **Encounters with Bob Dylan** Tracy Johnson

Fifty first-person accounts of fans who have had a close encounter (usually face-to-face) with Bob Dylan, one of our most enigmatic and reclusive public figures and the 20th Century's most influential songwriter.

The contributors come from around the world, and some even have recognizable names, such as mandolinist David Grisman, journalist Nat Hentoff, the late Hall-of-Fame pitcher Jim "Catfish" Hunter, rapper Kurtis Blow, and noted groupie/author Pamela Des Barres. Collectively, their stories provide compelling, sometimes amusing, insight into Dylan and his long and complicated relationship with his legion of devoted admirers.

The book also includes 24 photographs, many of them previously unpublished images of Dylan.
