Realistic Sharks Stickers (Dover Little Activity Books Stickers) Jan Sovak

Among the most awesome — and feared — creatures of the deep, the shark is an object of great fascination and notoriety. For this new sticker collection, nature artist Jan Sovak has accurately depicted 13 different species of this ocean-going predator, among them the bonnethead, bull, zebra, mako, silvertip, great white, great hammerhead, and six other sharks. A dramatic and authentic way to illustrate school projects and reports, these full-color mini-portraits will also add instant interest to lunch boxes, notebooks, and other flat surfaces.
