## **The Minotaur Takes a Cigarette Break** Steven Sherrill

Five thousand years out of the labyrinth, the Minotaur finds himself in the American South, living in a trailer park and working as a line cook at a steakhouse. No longer a devourer of human flesh, the Minotaur is a socially inept, lonely creature with very human needs. But over a two-week period, as his life dissolves into chaos, this broken and alienated immortal awakens to the possibility for happiness and to the capacity for love.
