40 Interview Icebergs and How to Sail Around Them Michael Heath

40 Interview Icebergs will help you to be more successful in interviews and get the job that you really want. So many people go for interviews and sail along merrily before steering straight into the iceberg that sinks their application there and then. Some icebergs are obvious; some less so. But isn't it nice to know what they are? You'll find 8 'Iceberg Zones' in this book: all are deadly. That's why Michael Heath has approached recruitment and HR professionals around the world and simply asked them the question, "What are the most common errors that someone might make that would stop you from hiring them?" This book lists the 40 most common reasons - the icebergs that all too often send a job application to the ocean floor. But to know that an iceberg is on the horizon is not enough. How do you get round it? That's why each section has several tips which will help you steer a course to the safety of your port or destination: the job you really want.
