**A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe** Marcelo Gleiser

The search for universal truth, the underlying “oneness” connecting all things, has been the abiding obsession of philosophers and alchemists, prophets and string theorists. We would cross a bridge from Occam’s razor to quantum theory on a path of symmetry and elegance toward a grand, unifying Theory of Everything—a place, just over the horizon, where the physical laws governing very large bodies (Einstein’s theory of relativity) and those governing tiny ones (quantum mechanics) unite in a single, orderly framework. Yet somehow, despite the strivings of some of history’s best minds, it turns out that the universe is probably not elegant. It is most likely gloriously messy. In *A Tear at the Edge of Creation*, the award-winning physicist Marcelo Gleiser argues that the quest for a Theory of Everything is fundamentally misguided: imbalance, asymmetry, and imperfection—not order—are the engines of creation. In this lucid, down-to-earth narrative, which has been translated into twelve languages, Gleiser walks us through the basic and cutting-edge science that fueled his own transformation from unifier to doubter: a fascinating scientific quest that leads him—and us—to a new understanding of what it is to be human.

The authors on this planet always try to improve their talent in writing, they also doing some study before they write on their book. One of them is this A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe.

#### **Francis Mason:**

In this time globalization it is important to someone to receive information. The information will make anyone to understand the condition of the world. The condition of the world makes the information easier to share. You can find a lot of sources to get information example: internet, newspapers, book, and soon. You will observe that now, a lot of publisher that will print many kinds of book. The book that recommended to your account is A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe this reserve consist a lot of the information with the condition of this world now. This kind of book was represented so why is the world has grown up. The dialect styles that writer use to explain it is easy to understand. The actual writer made some analysis when he makes this book. This is why this book suitable all of you.

#### **Christina Almonte:**

As a college student exactly feel bored to reading. If their teacher inquired them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's spirit or real their leisure activity. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading seriously. Any students feel that looking at is not important, boring along with can't see

colorful photographs on there. Yeah, it is for being complicated. Book is very important to suit your needs. As we know that on this age, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. Therefore , this A Tear at the Edge of Creation: A Radical New Vision for Life in an Imperfect Universe can make you sense more interested to read.
