Brain Integration Manual (2013 Edition) Dianne Craft

Brain Integration Therapy is an easy-to-use at-home therapy program that brings dramatic results. No matter what "teaching" or remedial reading program you use, if you do the Brain Integration Therapy Brain Trainings and exercises at the same time you will notice that the child learns much easier because you are actually using the child's body to make the brain connections so that he or she doesn't have to work so hard at the task of reading or writing or hearing sounds. The updated 2013 edition of my popular manual contains material new to this edition that will make Brain Training much easier and more effective for your child, including daily lesson plans, checklists to track your child's progress, additional instructions, advanced variations, visual demonstrations, easy-to-follow Brain Training guides, and much, much more!
