## **Fine As We Are** Algy Craig Hall

Little Frog was living happily with his mom on the pond—just the two of them. Then some strange things began to happen: blobs of black spots appeared in the water, which grew squiggly tails and started swimming. Before too long it's very clear: mom has a multitude of new frog babies. How will Little Frog *ever* cope?

In his first picture book, author and artist Algy Craig Hall has crafted a gentle, charming, and witty story that shows exactly what it means to be a good big brother. Thoroughly delightful illustrations—many featuring a deluge of tiny frogs leaping, dancing, somersaulting, and flying across the page—add to the joy.
