It's 3052, and a cosmic battle is about to begin. Loosed from the chains that held him for a thousand years, the devil is unleashing his fury in a desperate attempt to sack the beautiful City of God.

The battle is played out in the rugged Pacific Northwest, where Krista and Brent are unaware of their crucial roles in the epic struggle. They must keep the all-revealing maps from evil Emuel's hands. And they must lean on The Presence as they strive to thwart evil.

Spiritual warfare classic *This Present Darkness* meets the bestselling *Left Behind* end-times series in this thrilling adventure. But this is more than just an exclusive story to stir the imagination. Speculating on what might be, according to Scripture, *Millennium Gone* offers spiritual insights into what can be now for those who are attuned to God's voice and committed to His ways.
