Nightmare City Andrew Klavan

As a reporter for his high school newspaper, Tom Harding was tracking the best story of his life - when, suddenly, his life turned very, very weird. He woke up one morning to find his house empty...his whole town empty...empty except for an eerie fog - and whatever creatures were slowly moving toward him through the fog. How did it happen? Is it real? Is he dreaming? Has there been a zombie apocalypse? Has he died and gone to hell? Tom is a good reporter, but no one has ever covered a story like this before. With the fog closing in and the hungry creatures of the fog surrounding him, he has only a few hours to find out how he lost the world he knew.
