Shockaholic

Carrie Fisher

Shockaholic Carrie Fisher

Infused with Carrie Fisher's trademark incisive wit and on the heels of *Wishful Drinking's* instant New York Times bestselling success, *Shockaholic* takes listeners on another rollicking ride into her crazy life.

There is no shortage of people flocking to hear what Princess Leia has to say. Her previous work, *Wishful Drinking*, was an instant *New York Times* bestseller and Carrie was featured everywhere on broadcast media and rave reviews from coast to coast, including *People* (4 stars; one of their top 10 books of the year), *Entertainment Weekly*, *The New York Times*, and scores of others.

Told with the same intimate style, brutal honesty, and uproarious wisdom that placed *Wishful Drinking* on the *New York Times* bestseller list for months, *Shockaholic* is the juicy account of Carrie Fisher's life, focusing more on the *Star Wars* years and dishing about the various Hollywood relationships she's formed since she was chosen to play Princess Leia at only nineteen years old. Fisher delves into the gritty details that made the movie—and herself—such a phenomenal success, admitting, “It isn't all sweetness and light sabers.”
