In 1975, Jerry Jampolsky co-founded the Center for Attitudinal Healing in Tiburon, California, where people with life-threatening illnesses practice peace of mind as an instrument of transformation. Based on the healing power of love and forgiveness, the twelve principles developed at the center and explained in this book embrace the idea that total giving and total acceptance are crucial to the healing process and that attitudinal healing can lead to harmony, joy, and life without fear.
