How do Angels influence our daily life? How do they intervene in our daily tasks - in our relationships, with our children, or our problems at work? Flower A. Newhouse is one of those very special people who has lived and worked with Angels for more than half a century and has written extensively about her experiences and her understanding. In this, her latest book, she presents a comprehensive perspective on the many ways Angels communicate and work with us. She also gives some simple techniques to help us initiate contact with Angels ourselves.
