## Valentine Volume 1: Ice of Death TP (Valentine (Image Comics)) Alex de Campi

- 1812. As the mightiest army in the world is pitilessly ground into dust by the Russian winter, two soldiers, lost in a blizzard, are given a package by a dying general. Suddenly the young soldiers find themselves hunted by relentless, blood-eyed monsters out of their worst childhood nightmares! For those tales of terror and legend told across the Earth all have a kernel of truth: humans are not alone. And these monsters, now stuck in a world whose magic has drained away, will do anything to go home. Pity the humans caught in their path!
- Collecting the first 10 chapters of the hit online supernatural thriller *Valentine*, by Alex de Campi and Christine Larsen, with an exclusive, print-only 42-page bonus story drawn by Cassandra James.
