In the midst of ongoing Israeli-Palestinian conflict, civil war, and political discord, courageous civilians from both sides are working together toward mutual understanding and peace. In 40 captivating chapters, experts tell intriguing personal stories, interwoven with psychosocial models and principles, describing how people living in hostile cultures can establish harmony. We come to know established programs like Seeds of Peace and Search for Common Ground, as well as lesser-heralded, yet valiant efforts by children and adults of the region. This hope-filled work will be of interest to everyone who cares about peace, as well as to professionals and students in the social sciences, psychology, international relations, public policy, human rights, and cross-cultural studies.

In the midst of ongoing Israeli-Palestinian conflict, civil war, and political discord, courageous civilians from both sides are working together toward mutual understanding and peace. Israeli Jews and Arabs, and Palestinian Muslims and Christians, young and old, men and women, are cooperating in grassroots people-to-people projects, developing educational programs and creating activities to bridge their differences. *Beyond Bullets and Bombs* showcases such impressive and important projects that deserve more support and world attention. In 40 captivating chapters, experts tell intriguing personal stories interwoven with psychosocial models and principles proving how people living in hostile cultures can establish peace.

This collection is the perfect companion to Kuriansky's earlier book, *Terror in the Holy Land: Inside the Anguish of the Israeli-Palestinian Conflict*, an unprecedented work that presents more than 30 chapters written by Israelis, Palestinians, and psychological experts on the underpinnings and effects of the conflict. In the volume at hand, we come to know established programs like Seeds of Peace and Search for Common Ground, as well as lesser-heralded, yet valiant efforts by children and adults of the region working together for peace. Both volumes will be of interest to everyone who cares about peace, as well as to professionals and students in the social sciences, psychology, international relations, public policy, human rights, and cross-cultural studies.
