Combine, a Hammer novel Sean Michael

Dom and sub couples Peter and Devon, and Max and Swan, are joining their lives together. After a week at The Briar Rose, they know there's a lot of work to do, and they're all committed to making sure what they have together succeeds. Peter is the easygoing sub, while Max needs discipline and rules to keep from falling back into bad habits, so both Masters worry about making sure that each boy gets what he needs without making either sub feel neglected. It's a balancing act that winds up taking some fancy footwork and the stress takes its toll. As they learn to live and bond together, they discover things about each other that makes them fall more deeply in love, helping to cement their relationships. Then an unexpected attack on Peter and Max threatens to upset the balance they've created, and Swan and Devon must join forces to give their subs what they need to push through and thrive. Will this stumbling block break apart their hard-won new family, or will it forge a stronger foursome?
